On behalf of the Saudi Society for Rheumatology, it is our pleasure to announce the scientific program yielded and customized from the EULAR 2021 E-Congress.

We are pleased to deliver for the second year in Saudi Arabia the professional webinar symposium entitled the **Best of EULAR 2021**.

The main objectives are to design a compelling program that shares the updates and recommendations of EULAR 2021 in management of all rheumatic diseases to enable improvement with the standard and quality of education and patient care.

We encourage all colleagues from Saudi Arabia and Arab countries to register for this activity.

Finally, the Saudi Society for Rheumatology would like to thank Pfizer Saudi Arabia for their partnership and valuable support for the Best of EULAR 2021 webinar symposium that will improve the capabilities and knowledge of the Saudi Arabia rheumatology community.

With thanks,

Dr. Hanan Al-Rayes
